

## **SECTION III: STUDENT POLICY 3210**

---

### **Online Sessions and Sharing Contact Information**

Insight School of Oklahoma (“ISOK”) students are permitted to share contact information during online sessions. Sessions are monitored by ISOK staff, but it is the responsibility of the parent to discuss personal family rules and expectations regarding which contact information may be shared with classmates.

Parents are further advised that information and images shared during these social sessions may be available to all users of these sessions and are therefore no longer private. ISOK cannot guarantee the security of information that is disclosed or communicated online in such sessions, and parents authorize the release of such information at their own risk.

The right to participate in online sessions is a privilege. If, in the sole and exclusive opinion of ISOK, the conduct of a student warrants the termination of this privilege, a student will be removed from the social sessions.
