

SECTION III: STUDENT POLICY 3240

Dual Enrollment Policy

A student who is “dual enrolled” is enrolled at two or more schools (public or private) at the same time. Oklahoma law does not currently allow students to attend ISOK on a part-time basis or to attend two public schools at the same time full time. It is the expectation that students will be enrolled at Insight School of Oklahoma full time. Students will be expected to attend full time at ISOK or through a combination of courses at ISOK, Career Tech and/or colleges through concurrent enrollment. Attending a Career Tech or university is not considered dual enrollment. Exceptions to this policy will be Special Education students whose IEP stipulates that a lesser class load provides Free Appropriate Public Education (FAPE) in the least restrictive environment (LRE).
